

which nationals of such country hold a majority of the ownership interest in the vessel has been removed from the non-reciprocity list (which means, for purposes of this section, *Prohibitions on longshore work by U.S. nationals; listing by country* at 22 CFR 89.1). In that event, an attestation would no longer be required under subpart F of this part, since upon being removed from the non-reciprocity list the performance of longshore work by alien crewmembers would be permitted under the reciprocity exception at sec. 258(e) of the Act (8 U.S.C. 1288(e)). Requests for withdrawals shall be in writing and shall be directed to the Certifying Officer.

(b) Withdrawal of an attestation shall not affect an employer's liability with respect to any failure to meet the conditions attested to which took place before the withdrawal, or for misrepresentations in an attestation. However, if an employer has not yet performed the longshore activities at the location(s) in question, the Administrator shall not find reasonable cause to investigate unless it is alleged, and there is reasonable cause to believe, that the employer has made misrepresentations in the attestation or documentation thereof, or that the employer has not in fact given the notice attested to.

PUBLIC ACCESS

§ 655.550 Public access.

(a) *Public examination at ETA.* ETA shall make available for public examination in Washington, DC, a list of employers which have filed attestations under this subpart, and for each such employer, a copy of the employer's attestation and accompanying documentation it has received.

(b) *Notice to public.* ETA periodically shall publish a list in the FEDERAL REGISTER identifying under this subpart employers which have submitted attestations; employers which have attestations on file; and employers which have submitted attestations which have been found unacceptable for filing.

(a) The Administrator shall perform all the Secretary's investigative and enforcement functions under section 258 of the INA (8 U.S.C. 1288) and subparts F and G of this part.

(b) The Administrator, pursuant to a complaint, shall conduct such investigations as may be appropriate and, in connection therewith, enter and inspect such places and such records (and make transcriptions or copies thereof), question such persons and gather such information as deemed necessary by the Administrator to determine compliance regarding the matters which are the subject of the investigation.
